06.08.2008 № 9-4/367

Dear Sir or Madam,

We are pleased to inform you that the XXIX Congress of the International Union of Game-Biologists will take place in Moscow, Russia. It will gather world known scientists and experts, game managers and representatives of government authorities, public associations of hunters as well as investors into game-animals preservation and its sustainable use.

The dominant theme of the Congress is **“Wildlife management as one of the most significant ways of wildlife preservation”**.

The special topic is **“International cooperation of saiga conservation”**.

Within the frames of the Congress 4 plenary sessions, symposiums and special sessions will be held as well as 18 sections will discuss specific subjects.

We would like to invite you to take part in the XXIX International Congress of Game-Biologists IUGB-2009 that will be held on August 17-22, 2009 in Moscow.

For further information and registration, please visit our website: [www.iugb-moscow2009.ru](http://www.iugb-moscow2009.ru)

On behalf of the organizing committee

Director,  
President of IUGB 2009

Vladimir Melnikov
